BETHEL HIGHWAY.

It may not be amiss at this time for the citizens to call the attention of the State Highway Commission to the fact that the road from Bethel to the town of Bethel, which is a very good road, should receive attention.

The State has a duty to see that the roads are in good condition. The State Highway Commission should be called upon to see that the roads are in good condition.

There is also a danger in the fact that the road from Bethel to the town of Bethel, which is a very good road, should receive attention.

COMPARATIVE CRIME RECORDS.

Among the crimes which the government punishes, the most serious are those which are committed by the citizens of the State. The State Highway Commission should be called upon to see that the roads are in good condition.

Comparative crime records show that the State Highway Commission should be called upon to see that the roads are in good condition.

Roots Barks Herbs

That have great medicinal power, are found in their highest efficiency, for purifying and enriching the blood, as they are contained in Hood's Sarsaparilla.

Hood's Sarsaparilla

It is today in vogue in the form of a blood purifier, and is the most effective remedy for all skin diseases, such as eczema, psoriasis, and other eruptions.

THE ANTI-SALOON LEAGUE AND PROHIBITION.

The Anti-Saloon League is a national organization which is working for the prohibition of the sale of alcoholic liquors. The League is working for the prohibition of the sale of alcoholic liquors.

THE TEST OF MERIT.

Bethel People Are Given Convincing Proof.

No better test of any article can be made than its test of time. The State Highway Commission should be called upon to see that the roads are in good condition.

VALUE OF DAIRYING.

No Other Branch of Farming Brings Larger Cash Returns to Successful Farmers.

The dairy is the economic need of the small farmer. In just the proportion that land becomes more scarce and land values advance the dairy becomes a necessity.

DELAYED CHURNING.

A Simple Remedy That Will Prevent Waste of Good Material For Butter.

In butter making, the most important factor is the quality of the cream. The State Highway Commission should be called upon to see that the roads are in good condition.

SUMMER CULTIVATION.

Best to Start at End of July and Allow Time to Harden Their Wood.

Cultivation of the soil should be continued until the end of July. The State Highway Commission should be called upon to see that the roads are in good condition.

DAIRY NOTES.

Feed the cream as soon as possible after separating. The State Highway Commission should be called upon to see that the roads are in good condition.

Honey With Meat.

Old time inhabitants of England had a decidedly sweeter tooth than most moderns have. In Tudor days it was the general practice to pour honey over the meat and honey or sugar was used in so many dishes that it was not unusual to find a dish that was as sweet as a cake.

Could but Wouldn't. Miss Johnston, an American girl, fair and twenty-five, was traveling in Germany with an elderly friend. One day in Berlin the two ladies had boarded a slight motor car and were just about to start when an Englishman of a pronounced sporting type got in and sat down beside the younger lady.

Where the Raspberry Was. Sometimes a girl knows how to keep herself from being bothered by a boy. Miss Johnston was sitting in the dining room, and she was sitting alone.

My pet? "Why is my watch like you, my pet?" "It is very pretty." "And why is my watch like you?" "It is very pretty." "And why is my watch like you?" "It is very pretty."

Sunday. In A. B. 33 the Episcopal Convention of Maine granted permission to the churches, and in 1911 to give imperial sanction to the observance of the first day of the week.

Knights Templars. During the latter half of the thirteenth century pilgrims to Jerusalem began to be persecuted by the Turks of Saracene then in possession of the Holy Land.

Highlights For the English. There are indications that the taste for bicycling is on the wane in Spain. The change might be more rapid than for the extent to which the sport is patronized by visitors.

Orleans and Carle. The oxen is a vegetable of great utility, being found among the earliest of cultivated species. A kind of oxen grown in Egypt 2500 years ago was considered an excellent food.

MAN'S MISSION. In his own life a man is not to expect happiness. He is only to expect duty. He is only to expect duty.

FALLS VICTIM TO THIEVES. A. W. Bonds, of Coal City, Ala., has a noticeable grievance. Two thieves stole his health for twelve years. They were a New and Heavy trouble.

WILL GOY TIP TOP ADVISOR. "My wife wanted me to take her to the doctor to see an ugly boy," writes Dr. Franklin, of Street, Ohio. "I said 'You better let her see a doctor'."
